

UK-Declaration of conformity

SCHMIDT Technology GmbH herewith declares that the products

SCHMIDT® Volume Flow Sensor

Mini-IL 1/4" and Mini-IL 3/8"

Part-Nos. 572 900 and 572 901

are in compliance with the following UK statutory regulations:

Title: Electromagnetic Compatibility Regulations 2016

The following designated UK standards were used for assessment of the products therefore:

- Standard: **BS EN IEC 61326-1:2021**
- Emission: **Class B (residence)**
- Immision: **Industrial electromagnetic environment**

Title: Pressure Equipment (Safety) Regulations 2016

The following articles were used for assessment of the products therefore:

- Article 13, paragraph 1, b: Classification for gaseous, non-hazardous fluids of group 2
- Article 2, no. 5: Classification as "pressure accessories"
- Annex II, paragraph 3 a. 4: Assessment according Article 4, paragraph 3

The devices are designed and manufactured in accordance with the sound engineering practice.

This declaration certifies the compliance with the mentioned regulations but comprises no confirmation of attributes.
The safety advices of the included product documentation have to be observed.
The above mentioned products were tested in a typical configuration.
